Integrated payment processing from PayPros enables you to process credit and debit cards easily and securely.

A Deal That's Music to Your Ears

Tri-Technical Systems, Inc. has negotiated a fantastic offer with its partner PayPros (formerly Payment Processing, Inc.) just for AIMsi users! Simply open a merchant account with PayPros and you'll receive \$300 off your AIMsi software purchase or upgrade. This offer is **available until February 29, 2012.***

Features and Benefits That Hit the Right Note

- **One-step payment processing.** Enter credit card information directly into AIMsi – no more manual entries into two separate systems!
- **Free PayPros Innovo** – a Payment Card Industry (PCI) compliant payment platform with the flexibility to meet the needs of your growing business.
- **Encrypted magnetic stripe card reader capability** – data is encrypted at the point of swipe!
- **Advanced security features** remove any cardholder data from being stored onsite.
- **Automatic, recurring customer transactions** – no more monthly billing!

PayPros Services Just for AIMsi Users

- **The PayPros PCI Compliance Program for Businesses with Breach Guarantee.** A low-cost, optional service that offers PCI DSS compliance. Qualify and you may be eligible to be **reimbursed up to \$150,000** by PayPros for forensic reviews, fines and card re-issuance costs resulting from a card data breach. Visit www.paypros.com/ds/merch.asp.
- **24/7/365 free support** provided by PayPros' expert staff.
- **Free PayPros Account Analysis with price guarantee.** This detailed pricing analysis will provide you with everything you need to know about your rates and how PayPros can save you money. In fact, they will beat your current rates or any other published offer you have or you get a \$50 gift card.*
